

July 21, 2020

Greetings!

I am delighted to invite you to a virtual event -
**Career Moms Working From Home:
Surviving and Thriving.**

During this event, I will be moderating a panel of accomplished marketers and strategists, who also happen to be working moms as they share their best practices for managing health, family and career during COVID-19.

Please join us on Wednesday, July 29 at 9:00 am CST on Zoom to hear each panelist discuss how they have survived and thrived in the past few months and what challenges remain.

They each found themselves in uncharted waters learning how to work from home, caring for and home schooling their children and at the same time performing their professional responsibilities in a dynamic and ambiguous external environment!

I am very pleased to announce our guest panel:

- Laura Beres, Director Corporate Strategy, Ulta Beauty
- Katie Fisher, Senior Director, Content and Campaign Strategy, JLL
- Sheryl Markov, Head of Digital Marketing Center of Excellence, Northern Trust

The discussion is sure to provide you with actionable next steps to help you continue to improve your life and work in the coming months.

Please join us.

Marianne
